

Expression of Interest

Folkestone Rotary Club has decided to introduce two additional classes of membership for people who wish to be associated with the Club but are not in a position to avail themselves of the opportunities that accrue to Rotarians.

Associate Membership is for people who are unsure whether Rotary is for them. It is offered for three years to people who have not previously been Rotarians. Subscription £20. pa

Friends of Rotary is open to people of action who wish to be associated with the Rotary Club, whether or not they have previously been members of a Rotary Club. Subscription. £5. pa.

People who have previously agreed to be contacted about Rotary volunteering will still be invited to volunteer for events, so long as they wish to be kept informed about opportunities.
